Waredaca trailrides are planned for people ages 10+, new to riding or with little prior experience. It is designed to offer an enjoyable experience around our farm on horseback. This scheduled activity will take place regardless of the weather (indoor riding facilities available). Riders must wear long pants and a sturdy shoe with a small heel-a flat sole shoe is not safe nor permitted. Helmets are required and provided. Prior to starting, each rider will sign a release form. For safety reasons, we respectfully have a 220lb weight limit for any rider. All registrations are **non-refundable nor date transferable**. Any further questions or concerns, give Gayle, our lesson manager, a call at 443-564-1276.
