Why Choose Waredaca for your Horseback Riding Experience?

We are situated on 100+ acres and have access to a large trail system. All of our students ride outside of the ring, through our fields and woods to develop their skills all while enjoying the beautiful Maryland countryside.

Simply stated, Waredaca has been providing quality riding services to our customers since 1932. Family owned and operated, our professionally trained staff are wonderful individuals and effective teachers. They are very active in the horse industry on a local and national level and above all, are dedicated to each student's enjoyment, progress and competence with their riding experiences.

WE ARE YOUR BEST CHOICE!!

ADDITIONAL OPPORTUNITIES AT WAREDACA

Pony Kids with Colleen and Abby

The PERFECT introduction for children, ages 5-7, to horsemanship! This enjoyable one-on-one format focuses on safety, confidence, and balance. As students master goals in these areas, they may move on to more active control of their horse. Lessons are tailored to the individual student's development in order to maximize both their potential and fun!

Lesson fee of \$50/per lesson.; Call Colleen (301 509 4372) or Email : cwponykids@gmail.com for additional info and/or to sign up.

Mini Starter Series

Created with Beginning Students in Mind

Offered at the start of our Fall Session, these classes are tailored for the beginning rider to see if you really like to ride horses! A series of three lessons in the package is enough of a start for you to determine how strong your interest is. This is an affordable option at only \$135. A perfect way to get started with horses!

Waredaca Pony Club – Katherine as our Center Administrator

For those who want to join the United States Pony Club Organization and do not own their own horse, here is your opportunity to be a pony clubber!! Available for Intermediate 1 and above students, check out the USPC.ORG website for Pony Club 'Center' information. Look for WAREDACA PONY CLUB CENTER DETAILS on our website. ***We are currently on a wait list for enrollment but are more than happy to answer questions about our program and add your child to the list.***

Eventing...the Horse Triathlon

In addition to being a riding center, Waredaca is also a major competition venue. We host three competitions each year featuring a sport called Eventing. Our exciting and spectator friendly competitions are an equine triathlon of dressage, cross-country jumping and show jumping. These events are ***WARDACA planned, organized, and executed with your assistance. Guess what?! We need you!!*** Whether you are an experienced horse trial staffer or one who knows only the front end from the other end of a horse, your efforts are important. We need volunteers to do many different things - build and paint jumps, score riders going cross-country, help with hospitality for our judging officials, work with numbers in the results booth, and more. ***Check the volunteer program details on our website ; Liz our Volunteer Coordinator match you with the right job!!***
