**Time Limit:** 18:00

Phase A the same for Novice and Training  
 Minute Markers included on the map

- From START A follow the edge of the field up the hill and continue straight ahead until you come to 1A
- After 1A turn left down the hill and then follow the edge of the field with the fence to your right to continue back up a hill still along the fence line to find 2A.
- Straight ahead from 2A, down the hill and through the gate turning right to find 3A.
- From 3A follow the edge of the field, you will pass the bank jump on your left and continue down the hill and around a right curve to find 4A.
- After 4A continue straight ahead to head out the gate at the corner of the field. Make a slight left and then an immediate right once through the gate (follow arrow signs) to find the path through the woods. Continue on the path through the woods until you come to the paved driveway. Turn right down the driveway (you may stay on the paved surface or be just off to the side) following the drive until you come to the small gate on your right to take you into the hayfield. Turn right through the gate going straight ahead and up the hill following the edge of the field to the corner where you will find 5A.
- Follow the path (there will be some directional markers) through the woods running parallel to the cross country field until you come to a marked left turn that will bring you out of the woods.
- Stay straight along the edge of the field (tree line will be to your right) until you see the arrow directing you down a short path to your right through the woods and over a small creek where you will find 6A.
- Continue straight ahead after the creek crossing until you come to the corner of the field where you will find 7A. At 7A you will head left and up the hill along the fence line all the way to FINISH A.
