Fence Sponsorship

Fence Sponsorships are the perfect way to honor a past horse, celebrate a current one, or recognize a friend or family member. If you own your own business, what better way to gain a little extra exposure? Competitors, spectators, and volunteers all spend time on the cross-country courses so your sponsorship plaque will be seen by hundreds of people. Additionally, the recognition in the event programs provides added print exposure. A phenomenal value, as we have three USEF/USEA Recognized Events, three Starter Events, AND the Preliminary/Training/Novice/Modified/Beginner-Novice Classic Three-Day Events scheduled this year!
